

## FINAL CONFERENCE 15 / 06 / 2023

### **“Address and Reduce Drug Use of Inmates and Ex-inmates through *Data Analysis & Intervention Programs* - PRS20”**

**Purpose:** The goal of the final conference is to present the results of the research conducted in the prisons settings in Belgium, Cyprus, Greece, Lithuania and Luxembourg among the people living in prisons and ex-inmates. During the conference, each partner country will present the results of the research based on the assessment of people living in prisons and ex-inmates with history on drug use. Proposals for improving existing interventions based on the needs of inmates and ex-inmates will also be presented. Specifically, the focus will be on treatment and harm reduction measures, as well as proposals for social reintegration of ex-inmates.

**Objectives:**

- Presentation of the results in each country
- Presentation of the proposals for the improvement of the existing interventions in the prison settings

Address: POED

Duration: 0.5 day

For those participating online: Link

**Funded by  
the European Union**
